

Member-to-Member Discounts 2009

The member-to-member discount program is one of the many benefits to being a member of the West St. Louis County Chamber of Commerce. Each participating business will have an opportunity to offer a discount unique for our chamber members (not something offered to every customer). All participating businesses will be listed in our monthly newsletter *The Enterprise*. Upon their 2009 membership renewal, each West St. Louis County Chamber of Commerce member will receive a 2009 Membership Card courtesy of *PSI Plastic Graphics*. All that is required is for chamber members to present their membership card at participating businesses to receive their discount! Please support your Chamber of Commerce and shop chamber!

This discount will potentially:

- **Increase sales**
- **Broaden your current client base**
- **Expand visibility to businesses**
- **Provide benefits to fellow chamber members**

Promote the idea of shopping chamber members first!
